(SV) Använd skyddshandskar.
(EN) Use protecting gloves.

1

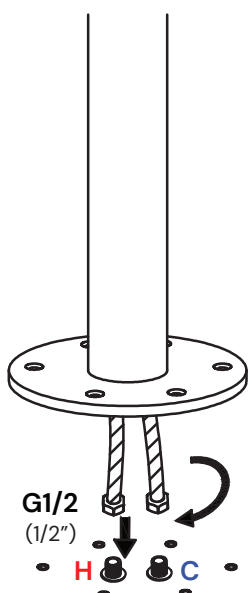

(SV) Skruva fast bottenplattan på det nedre uteduschröret.
(EN) Screw the base plate onto the lower outdoor shower pipe.

2

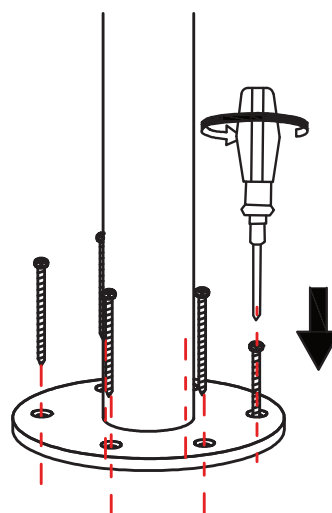

(SV) Markera ut, borra hål och tryck in de medföljande expansionsskruvarna.*
(EN) Mark, drill holes and insert the included expansion screws.*

3

(SV) Anslut uteduschens vattenslangar till slangarna med inkommande kall- och varmvatten.
(EN) Connect the outdoor shower's water lines to the corresponding water supply lines.

4

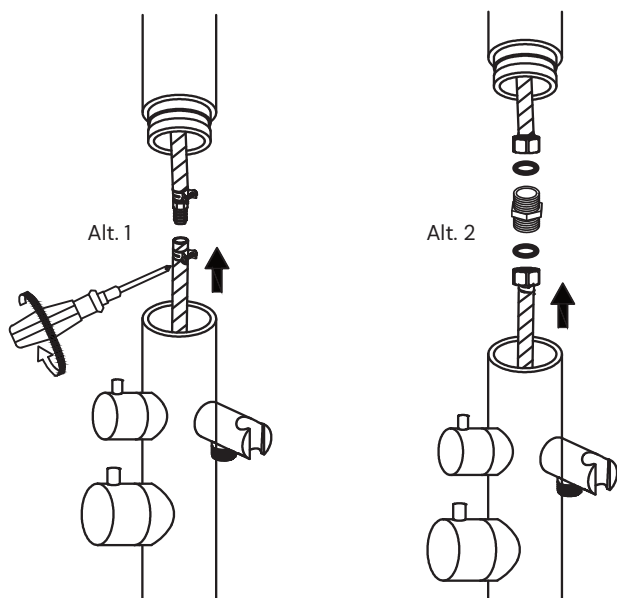

(SV) Skruva fast de medföljande fixerings-skruvarna ordentligt.*
(EN) Tighten the included fixing screws firmly.*

* (SV) Vid behov, använd andra lämpliga skruvar (medföljer ej).

* (EN) If needed, use other suitable screws (not included).

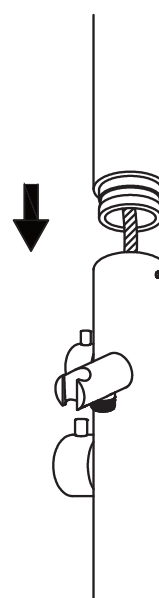

5

(SV) Koppla samman vattenslangarna mellan det nedre och övre uteduschröret. Kopplingen kan se olika ut mellan olika tillverkningsdatum (alt. 1 och alt. 2).

(EN) Connect the water hoses between the lower and upper outdoor shower pipe. The hose connection may look different between different manufacturing dates (alt. 1 and alt. 2).

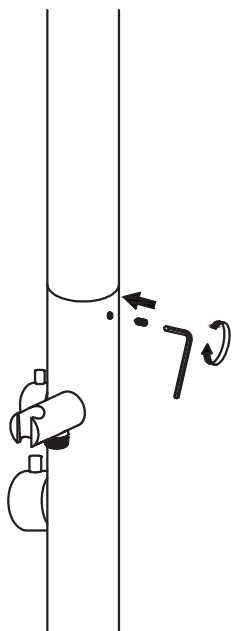

6

(SV) Skruva ihop det övre uteduschröret med det nedre.

(EN) Screw together the upper outdoor shower pipe with the lower one.

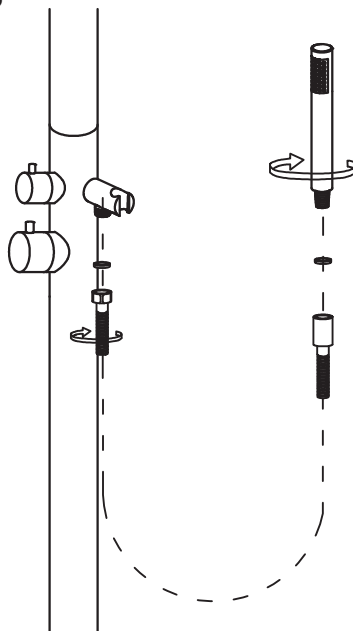

7

(SV) Lås fast rören med en insexnyckel.

(EN) Tighten the pipes with an Allen key.

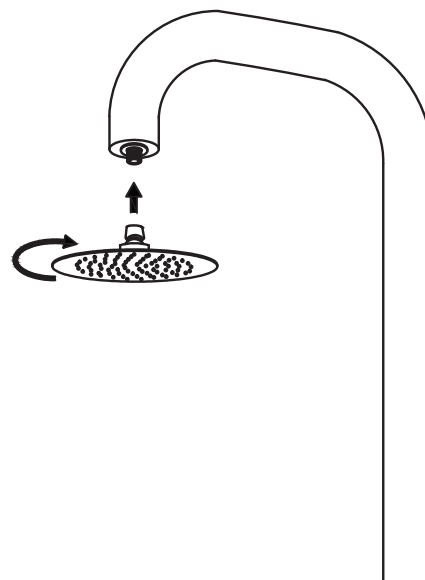

8

(SV) Montera handdusch och duschslang.

(EN) Fix the hand shower and shower hose.

9

(SV) Enbart 40030 och 40031: Montera takduschen.

(EN) Only 40030 and 40031: Fix the overhead shower.
